THE INTO
AFRICA
— CLASSIC —

May 7th – 12th, 2017

Championship Golf and **Premier Africa** are proud to join forces to present their first **15-Star Event**.

The Into Africa Classic is the culmination of two years of planning and preparation. Working side by side with the most exclusive golf club in Africa, deluxe Safari Lodges, local dignitaries, entertainers, and sponsors, the net result promises to be an event unsurpassed in excellence, and an experience like no other.

5 STAR GOLF

The Leopard Creek Golf Club, South Africa

LEOPARD CREEK GOLF CLUB

The Leopard Creek Golf Club is often referred to as the 'Augusta National' of Africa. And for good reason. The Leopard Creek Golf Course is South Africa's most prestigious and unique golf experience. As if that's not enough, the course actually borders the Kruger National Park, Africa's most Renowned 'BIG 5' Safari experience, separated by nothing less than the carving crocodile river.

When you imagine a golf course in this habitat it's easy to fall into the trap of thinking that the grounds are just as wild and rugged as its Lowveld surroundings but nothing could be further from the truth. In fact, Johann Rupert and his team have spared no cost in creating one of the lushest and indeed finest playing surfaces in the world.

The emerald green surfaces and white sculpted bunkers are naturally protected from the resident wildlife through innovative architecture and landscaping. That said, hazards at Leopards Creek certainly take on a new meaning with sightings of crocodile, hippo, antelope, buffalo and elephant being all too common. A dream for the safari enthusiast!

Leopard Creek is another of the Gary Player designed courses and the old master chose to go with a parkland layout. Fairways are coated in a svelte Kikuyu and the greens with Bent. The 18th hole features a spectacular island green located directly in front of the grandiose clubhouse, ideal for spectator viewing and exciting finishes.

THE TOURNAMENT

The Leopard Creek Golf Club, South Africa

Everyone will enjoy the Into Africa Classic. Competition is combined with camaraderie in perfect harmony. The surrounds of this magnificent course features boundless wildlife from the enormous elephants and hippos, to the small creatures and bird life living together in balance. Our tournament field will range from club champions, weekend warriors, and occasional golfers. We will have men and women of all ages and abilities. Like the environment that engrosses us as we traverse Leopard Creek, the Into Africa Classic spreads the joy to everyone.

Every golfer can choose which events he or she wishes to be part of, and which day(s) he or she wants to play. Everyone is welcome to play each of the three rounds, and in each of the events. Some 'may' wish to take a day or two to enjoy the full sightseeing experience. If you don't have a 'partner' for one of the 'partner events', one will be assigned for you.

Flight divisions will be determined by handicaps, with everyone eligible for awards in each competition. Beautiful trophies symbolic of this special event will be awarded at our final awards gala at the Leopard Creek Golf Club.

THE TOURNAMENT

The Leopard Creek Golf Club, South Africa

THE INTO AFRICA TROPHY

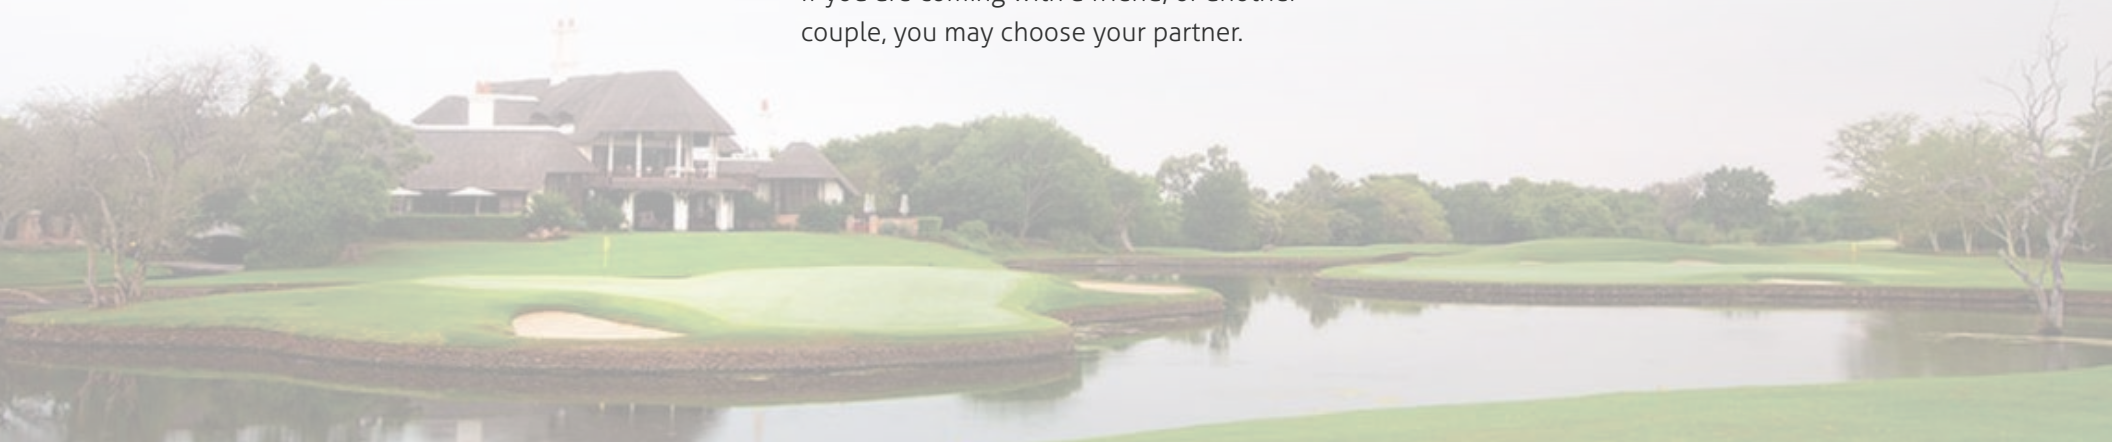

The Into Africa Trophy will be presented to Men's and Women's champions in both gross and net.

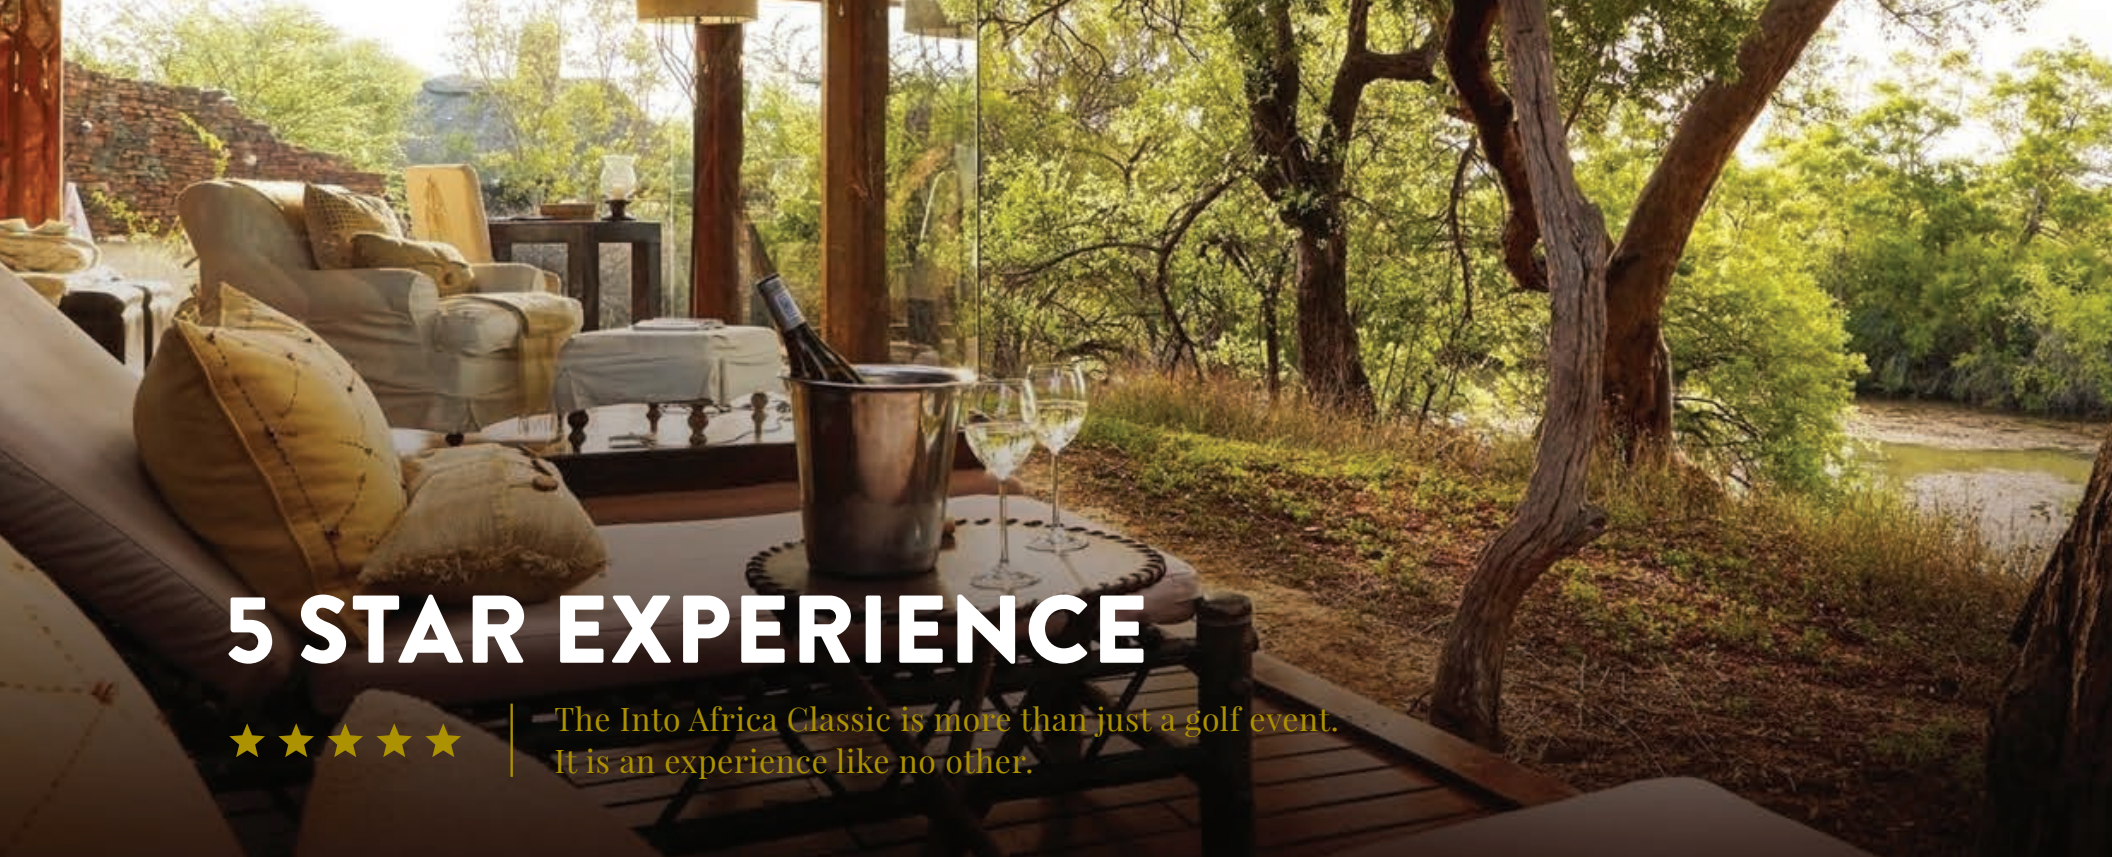

THE LEOPARD CREEK TROPHY

The Leopard Creek Trophy will be presented in partner's champions (male partners and female partners). If you don't have a 'partner' in this division, one will be provided for you. If you are coming with a friend, or another couple, you may choose your partner.

THE SAFARI TROPHY

The Safari Trophy will be presented to mixed couple's champions in both gross and net. This is designed for golfing couples traveling together.

5 STAR EXPERIENCE

The Into Africa Classic is more than just a golf event.
It is an experience like no other.

ACCOMMODATION

Your deluxe 5-star Safari Lodge awaits. Whether you stay at **Jock's Camp**, **the Buhala Lodge**, or **Lukimbi Safari Lodge**, each day is an adventure in the heart of Kruger. Morning and evening game drives in search of the Big 5 and the limitless wildlife, bird life, and native foliage of this remarkable area not only change from day to day, but literally will open your eyes to an entire world that becomes a life enhancing experience.

VIP GUESTS / DIGNITARIES

In addition to the unique daily experience of private game drives, each day is designed to be awe-inspiring. Activities include personal interactions at your Safari Lodge in intimate settings that simply don't exist in everyday events or tours. These include evenings with the likes of: **Rory Steyn**, (Nelson Mandela's personal bodyguard during his 5 Year Presidency and author of The insightful and inspirational "ONE STEP BEHIND MANDELA"). **John Bland** will regale and entertain us

with golf stories of his years playing with the world's best golfers. John is one of South Africa's greatest golf champions (winner of 37 international professional tournaments around the world, including 3 US Champions Tour events) and one of golf's great gentlemen. We also have a very **special 3rd mystery guest** lined up. Evenings will also feature special private entertainment, including fabulous traditional drummers (yes, you'll be drumming too!) and a thoroughly engaging local choir.

MEALS AND PARTIES

Every meal is included daily. Whether you're dining at your Safari Lodge for breakfast, and dinner under the stars, or having a safari brunch 'riverside', or one of our entertaining banquet parties at Leopard Creek, every meal and every cocktail or bottle of wine has been selected for your ultimate dining pleasure.

SIGHTSEEING

During golf tournament rounds, the non-golfers in the group will be treated to a series of wonderful sightseeing adventures. In addition to the **twice daily safaris**, sightseeing activities include a unique **elephant interaction**, a scenic **Helicopter tour** to enjoy the scenic wonders of the area. And a **private guided road tour** of the area. Add to this - **spa treatments in the local bushveld**, plus a host of other surprises, and the non-golf experience is 2nd to none! Non-golfers will also join our golfers for two spectacular parties at the Leopard Creek Golf Club. Activities are designed to make it a tough choice between playing in the golf tournament or sightseeing.
